

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3570/P1dn
PJH:sac&med:jm

December 30, 2011

Representative Wynn,

Please review this draft to ensure that it is consistent with your intent. As I discussed with your aide, this draft addresses revocation of extended supervision for persons released under ss. 302.113 and 302.114, but it does not address revocation of parole for persons released under s. 302.11 or 304.06. If this does not reflect your intent, please let me know. Please also review the procedures under the bill relating to revocation and/or imposition of imprisonment when a person admits a violation.

If you have any questions or would like any other changes to this draft, let me know. When the draft meets your approval, I can redraft it in introducible form.
